Letter of application

In association with CCUSA:

A fun job overseas, a good wage and great travel!

Each year, kids' camps in the USA and Europe recruit young people from around the world to work in temporary positions. You could work as a general camp counsellor, supervising and caring for the young guests. Or you could get a specialist job, helping out sports or arts.

**Don't want to work directly with kids?
There are loads of support positions available for cooks, cleaners, maintenance staff and office assistants.**

A wage, accommodation and your return flight are paid for.

You find this information at www.gapyear.com

→ Now write a letter of application to **CCUSA** in which you must refer to the following aspects:

- the sort of job you are applying for
- your qualifications
- the reasons for your decision to go abroad, your expectations
- the best time for your stay abroad

Write about 150 words.
